

Williamsville's VETERAN PROGRAM

Military trauma and addiction often go hand in hand. Civilian programs don't always understand your experience – ours does. You deserve care from people who get it.

- ★ 8-10 INDIVIDUAL SESSIONS/WEEK
- ★ TRAUMA-FOCUSED CARE
- ★ 28-DAY RESIDENTIAL
- ★ ALL BRANCHES WELCOME

What We Treat:

Alcohol, gambling, and substances such as opioids, prescription drugs, and stimulants – along with co-occurring PTSD, depression, anxiety, and moral injury.

We treat the whole picture, not just the substance.
